## “Investors Release”

The strong revenue growth for the first 45 days of the quarter is the result of excellent teamwork in delivery of higher-quality EPC services to our clients, strong collaboration with our vendors and continued strong focus on our quality of services. The Company is inclined to believe that the solid results illustrate the ongoing positive momentum in this business and remains optimistic about First Quarter results based on its performance through mid-May.

Please find below a summary on the revenue earning presentation of the company.

**(Figures in INR Lacs)**

Particulars	FY 2022-2023 Quarter I-to-date Un-Audited (till 15 <sup>th</sup> May)	FY 2021-2022 Quarter IV Un-Audited
Revenue from Operations	5500*	8700.00*

\*The figure may change subject to final audit.

### **Revenue from operations:**

In the quarter-to-date period through mid-May 2022 itself, the company has clocked revenues from operations worth Rs. 5500 Lakhs in comparison to Rs. 8700 Lakhs that was achieved during the last quarter of the outgone fiscal ended March 31, 2022, illustrating the momentum that has driven its operations.

The Company is expecting the same growth at the end of First Quarter; however, the Company's expectations regarding the Company's performance in this Quarter and in any future quarter are based on information available at the time of this release, and are subject to changing conditions, many of which are outside of the Company's control.
